Welcome to the Guam Public Library Systems' 2013 Summer Reading Program!

GPLS will once again be partnering up with Antwerp Sunshine Library in Michigan and the theme this year is... Dig Into Reading!

The Summer Reading Club is a special time during summer vacation (6 weeks) for children 0-12 years old to have fun reading and participating in activities that ignite imaginations and foster learning.

The Library's goal is for participants to collectively read a total of 10,000 books over the summer. Readers will set a personal goal based on the types of books they like to read.

All Participants must be registered members at the Library! Everyone who registers, receives a book log each week to Track the number of books they read and the number of visits to the Library.

At the end of the program, a *special prize* will be given to the club member who reads the **MOST** books and **MOST** number of times you visited the library.

Be sure to do the following:

- **Complete Registration Form and Submit**
Registration Forms can be picked up and submitted at any of our branch locations (listed on back of brochure), Bookmobile, or on our website at <http://gpls.guam.gov>
- **Get your Reading Log**
Each log you turn in increases your chances of winning a prize! There are prizes for different age groups and categories.
- **Start Reading!**
You need to log what you read into your reading log. Each log that you turn in increases your chances of winning a prize! Magazines, Daily Newspapers and books that you listen to count!
- **Submit your Reading Log**
Reading logs can be submitted as soon as completed but no later than **July 20, 2013**.
